**DETAILED ACTION**

1. The amendments of 4-29-05 have been considered. A careful review of the claims necessitated the new rejections below.

***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1, 2, 16, 23, 27, 28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically, the word "if" makes the claim indefinite, the word "when" would make the claim definite.
